ABOUT US

- **Connoisseur Global was established in 90's by our fore-father** but came into export industry in recent years. Today we are one of the largest Supplier of seasoned wood, its products and other metal handicraft. Under the leadership of Mr. Arham, Company has carved a niche for themselves in the National and International, interior décor markets. At present, we are working with clients in Northern America, England, UAE and many parts of Europe. We thrive to constantly create products in line with the international trends and tastes. Our commitment to quality, social and timely delivery is vouched for, by the customers currently working with us.

OUR OBJECTIVE

Brief About CONNOISSEUR GLOBAL

■ A 4-Pillar SEDEX compliant Factory.

■ Inhouse Wood Seasoning & Chemical Treatment Plant which gives a good control over raw material.

■ Production capacity is about **10,000** pieces in a month

■ This factory is build over 13378.032 Square metre of land in the outer skirts of the town on National highway.

■ We are working with clients mainly from USA, United Kingdom, Europe and Middle East.

■ Primary Nature of Business - Manufacturer & Exporter.

■ Deals in Wood/ Metal Furniture, Bowls, Platters, and other Utility & Table Top décor items.

■ All machinery is available inhouse.

■ Inhouse turning setup which bolsters our bowl, platter, tray etc. making capacity.

■ All types of finishing done on wood like Enamelling, Decaling, Polishing etc. are available inhouse.

■ Separate inspection is available for QA's/ QC's to conduct inspections and test like drop test etc.

■ We are open to work with more clients as we are expanding each day.

■ Experience team which helps to fulfil all the requirements of our crucial clients.
